# AXIOM

---

Elegance is most justified when witnessed. Axiom is one such elegant all wood desk from Godrej Interio, made for those ambitious executives raring to dominate the world.

It comes with a main desk with ERU, Back unit and a storage unit - in an enchanting combination of Oak and white shades.

One look at Axiom and one will realize that no compromises have been made on looks and features as far as fulfilling the aesthetic and utility needs are concerned!

# What does Axiom have to offer?!

1. A modernistic floating design makes the office space look appealing and supports the comfort of the user.

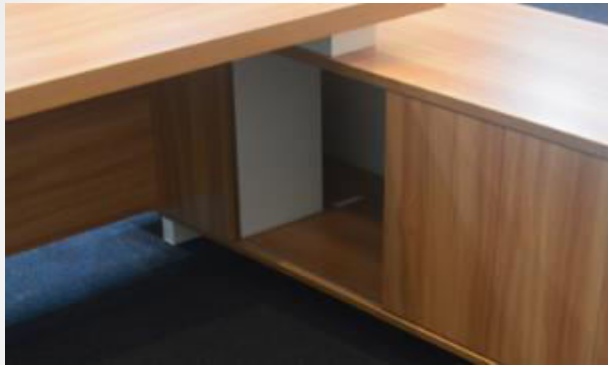

2. Along with having an LHS and RHS option for ERU, Axiom also comes with multiple storage options in the form of a storage unit and a back unit.

3. Pre-fitted wire management in the form of an access flap for switch sockets makes things clutter free

4. A thick 48 mm worktop makes it look all the more sturdy

5. Long ERU is provided with two shelf compartments along with CPU storage space

6. A modesty that goes well with the desk makes Axiom look complete!
