

AXIOM

AN IDEAL PARTNER FOR THE AMBITIOUS LEADER

In today's business world where looks rule the roost, here's a Manager's desk that looks every bit the part.

AXIOM is an all-wood multiple-desking unit with a thick worktop sporting a floating look that adds to its style and splendour.

When the position calls for regal looks with ample desk space, Axiom more than fits the profile.

A True Multi-tasking Partner

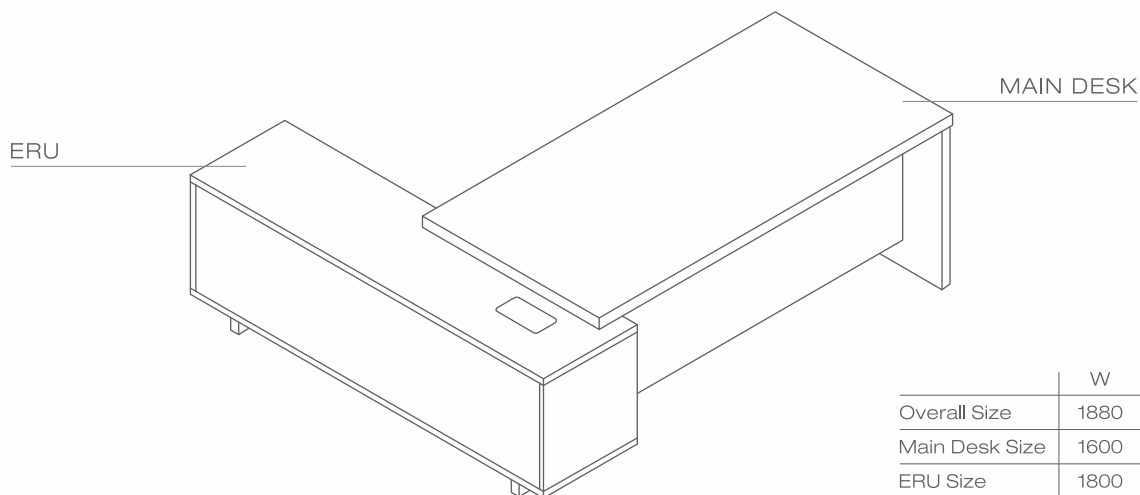

With Desk + ERU + Back Unit + Storage Unit, Axiom is truly a multiple role player in the most demanding office scenarios.

- Modernistic floating look design supporting comfortable and spacious workspaces
- Sturdy thick 48mm top.
- Provision for wire management within the table in the form of an access flap for switch sockets.
- Axiom uses the corner space created between the table and the ERU efficiently.
- Storage concerns can be done away with as Axiom gives you a long ERU with two shelf compartments along with a CPU storage space.
- It also has a back unit and a storage unit for extra storage purposes.
- An elegant modesty goes along well with the desk, making it look complete.
- ERU comes with an option of both LHS and RHS for user convenience.
