# Breeze – Light and airy

OFFICES WILL SOON GET A **VINTAGE** TOUCH.

REINTRODUCING THE BREEZE COLLECTION.

Vintage is back. We are bringing the first chair to be designed by Godrej in a new avatar. By blending the latest trends in aesthetics with new materials and manufacturing technology, the BREEZE collection offers beauty, performance and unmatched comfort in its class, while maintaining its original look.

Experience the old times with the new and improved BREEZE.

# “Breeze”..... designed to suit the discerning customer

- VINTAGE feel
- Aesthetics reflecting IMAGE
- Perfect FINISH
- ERGONOMIC design
- Durable- long life, LOW Maintenance
- ECO-FRIENDLY product

# Breeze

The BREEZE chair is another example of Godrej Interio's leadership in applying Ergonomic principles and concern for Environment in the Design of seating products.

Blending the latest trends in Aesthetics with New Materials and Manufacturing Technology, BREEZE chair range offers Beauty, Performance and Unmatched Comfort in its class.....

It's a great choice for Open offices, Meeting Waiting areas and Casual seating environments.

Reflecting your IMAGE and appreciation of Great Design !!

# Breeze - Designed to project your IMAGE

- NEW AGE materials- GF Polyamide base frame and PP inner frame for superior Strength and Finishing.
- EUROPEAN Polyester Structural Mesh upholstery fixed with RF Welding technology ~ for superior Strength and Long Life.
- WELDED Tubular understructure - with NO sharp edges/ joineries ~ ensuring Clean Looks and User Safety throughout lifetime of product.
- TRENDY COLORS in Mesh / powder coating for Enhanced Aesthetics.

# Breeze – Ergonomics with User Comfort!

- ERGONOMICALLY contoured hyperbolic parabolic back design provides excellent full back support to the user.
- WATERFALL seat design ensures proper blood circulation to lower legs and long term seating comfort.
- Polyester STRUCTURAL MESH which distributes your weight equally for optimum user comfort.
- Open mesh design allows EASY AIR FLOW to keep your body cool even in non AC environment.

# Breeze – Low Maintenance!

Very Light Weight  
Easier to handle chair

**Mould Resistant –  
Fungicide Treated**

Flexibility for optimum  
comfort

Fabric remains cool even  
in non AC environment

Quick Drying thanks  
to its calibrated open  
Weave.

**Easy Care: Just wash  
with soapy water**

**Outstanding resistance  
to tearing.**

# Breeze – is Eco Friendly !!

- Breeze is made from 98% recyclable materials !
- Manufactured in ISO 18001 certified factory – water used in powder coating process & waste from injection molding process is 100% recycled.
- **SUSTAINABLE TRANSPORTATION:** BREEZE comes in pack of **FOUR** and its packaging / carton is designed to facilitate maximum space utilization in transport.
- **END OF LIFE:** Can be easily recycled using WECYCLE Service from Godrej Interio.
