ABOUT ENTERPRISE

§ With time, the needs of our customers have changed

§ Paper work is being replaced by computers in Government organisations and PSUs.

§ There is an emerging need for Wire management in-built into the desks.

§ People now give importance to the aesthetics and functionality .

§ ENTERPRISE our range of Enhanced Unitized tables has been designed to take care of these changing needs of our customers

TARGET AUDIENCE

ENTERPRISE has been designed keeping in mind the changed needs of the Government And PSU organisations

PDF created with pdfFactory trial version www.pdffactory.com

FEATURES

COMBINATION OF WOOD AND STEEL

Enterprise is a great combination of wood and steel. Wood gives aesthetics to the table and steel adds to the sturdiness

FUNCTIONAL

Enterprise enables the user to carry out his routine paper work and at the same time enables the use of PC. It provides adequate space to carry out routine tasks. It also facilitates the users interaction with the visitor.

SIZE OPTIONS

Four different size options meets all the hierarchical needs of any organisation. They are available in widths of 1200, 1350, 1500 and 1650 mm.

PDF created with pdfFactory trial version www.pdffactory.com

FEATURES

COLOR OPTIONS

Enterprise is available in 5 New, trendy colours that will make offices Brighter

WIRE MANAGEMENT

All the wires can now be concealed.... since Enterprise has in-built wire management. The side panel has cut-outs on the side that carries the wire to the Monitor
