

Product News : Oxbo Enhancement

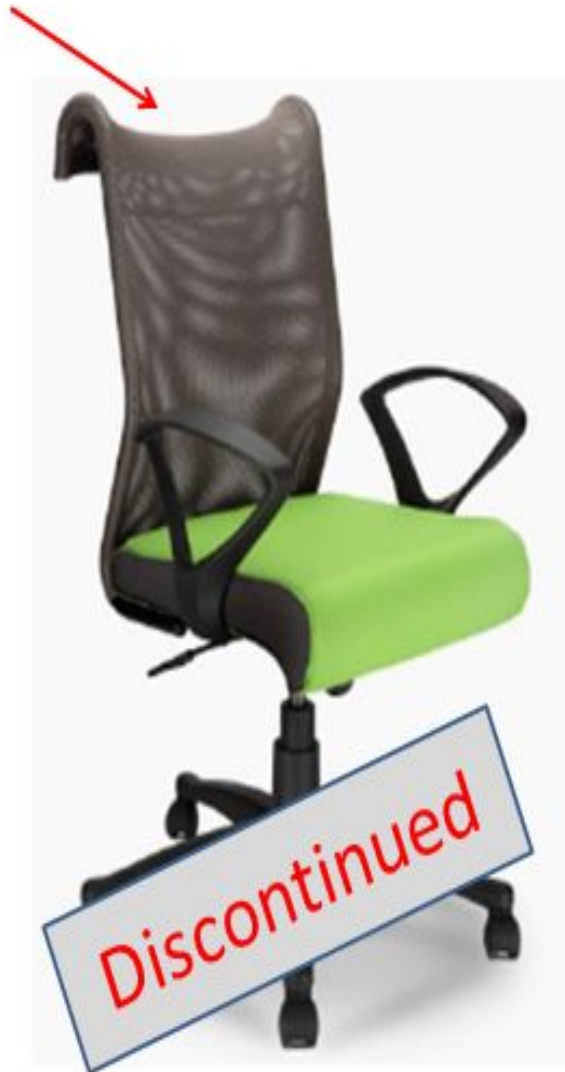

As per the adverse feedback received from branches & customers regarding the curved back, we have re-designed the back thus enhancing the look of the chair & better fit in upholstery.

- Oxbo Chair family will be available only in Black Mesh Fabric (For Back) with Voila Shades (for Seat) only.
- Oxbo back has been changed due to ECN (Refer images below)
- The above changes are applicable for High Back, Mid back & Visitor Chairs.
- With this ECN the chair has also migrated from Pl-14 Mumbai to Bhagwanpur (from Co-238 to Co-244)
