SME MODULE

REQUIREMENT TODAY...

SME MODULE

ABOUT THE SME MODULE

In the recent past there has been a requirement for small and medium offices to have the requirement of modular furniture to accommodate their staff . Project booking today is very time consuming and there is a great apprehension from our channel partners who find it difficult to take up these requirements.

We present **SME MODULE**, our WORKSTATION modules. Its **Simple yet functional design, contemporary looks and requisite features** makes life easy for all.

It is single item code booking, simple RPL that can be booked easily.

**INTRODUCING A WORKSTATION THAT IS
FUNCTIONAL YET COMPACT.....**

SPECIALLY FOR THE SME SEGMENT

SME MODULE

TARGET AUDIENCE

SME MODULE has been designed keeping in mind the needs of the SME and SMALL AND MEDIUM OFFICE segments

SME MODULE

BENEFITS...

SME MODULE will be available as a set of 4 seater and 2 seater :

- Easy to quote...std price available!!!
- .Ease in Booking- **single item code and RPL booking**
- OTIF registration **not required**.
- Helpful to **deal with small** orders without any procedures of OPOS project booking
- Less chances of **lesser Order booking errors** due to standardised Modules.
- Great benefits to Channel Partners** as it is easy to quote single RPL booking of entire workstation.
