PISA

Once you sink in, it'll take a lot to make you get off the Pisa. Informal seating has never been so comfortable, pleasurable and supportive than PISA where your complete body enjoys a feeling like never before. And it's not just good-feeling but also good-looking.

KEY FEATURES

- It allows you to better support your company's informal work needs and make the most of your office spaces.
- Elegant, fresh and eye-catching with a style that's classically clean and homely, Pisa creates an inviting comfortable intimacy that puts your people at ease so they can perform better.
- The construction of the PISA Sofa is quite unique. The sofa gets rid of the traditional construction material – wood, and makes use of treated plywood making it more consistent in sizes and performance.
