NEW
DEFINITION.**

INTRODUCING **PISA**

AN ITALIAN INSPIRATION

*The overall form of the sofa is such that it feels like the sofa is floating. The slant in its form resemble to that of the '**Leaning Tower of Pisa**'. And that's where it gets its name from, PISA. The floating effect of the sofa can have a therapeutic effect on the mind and body of a person. A feeling better experienced than to be described in words.*

Once you sink in, it'll take a lot to make you get off the Pisa. Informal seating has never been so comfortable, pleasurable and supportive than PISA where your complete body enjoys a feeling like never before. And it's not just good-feeling but also good-looking.

*PISA BRINGS
INFORMAL SPACES
TO LIFE*

*PISA is just perfect for
**break-out areas, executive cabins,
reception lobbies, waiting rooms
and impromptu meetings.***

*The generosity of seat & back
cushioning, soft curved corners,
and an expansive seating area make
for a comfortable seating experience.
The sofa preserves a contemporary
style and offers comfort through
its sharp yet simple design.
Pisa is convenient and relevant
for all applications in different types
of offices where it can be engaged
as a set or as individual units.*

*The range consists of a
single/two/three-seater sofa,
accompanied by a centre table
or a corner table with glass top.*

spaces to life

Construction

The construction is quite unique. Treated plywood is employed in its making, leading to consistency in size and performance. The material is termite and borer resistant. The table frames are made from stainless steel, lending strength to a gently tempered glass top.

Upholstery

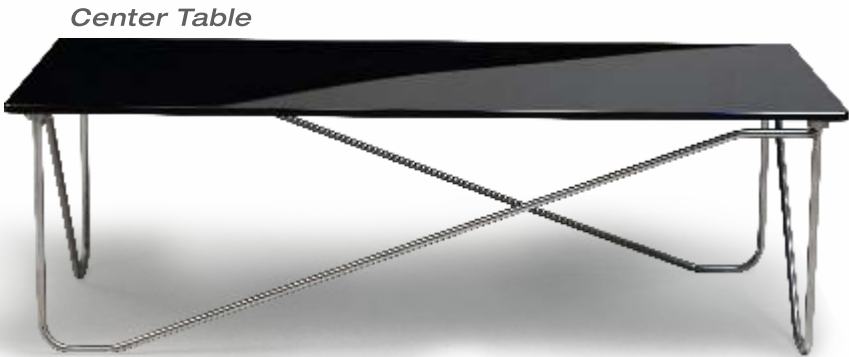

Pisa is available in Dual-tone fabric and Leatherette upholstery option. The fabric is wear & tear resistant, colourfast, highly durable, soft-to-touch and finely finished. Leatherette gives the sofa a luxury feel and is also easy on maintenance.
