

Scintilla with Desklet

Scintilla without Arms

Scintilla with Arms

Mother's Hug:

Derived from Mother's Hug, the body hugging contours comfortably supports your back.

Broad Armrest:

Scratch resistant broad armrest ensures proper comfort to arms During long sitting hours.

Unique Back – tilt:

A unique back-tilt feature allows an upright as well as relaxed angle, thus reducing pressure on the vertebral disc during long training sessions.

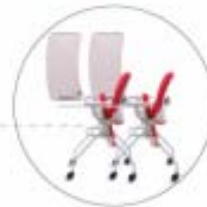

Large Curved Flip – up Desklet:

The scratch resistant large flip-up desklet with bean shaped inner curve makes the chair comfortable for different body types and supports analogue and digital resources.

Horizontal Stackability:

Tip-up seat ensures horizontal stackability of multiple chairs, thereby facilitating multiple use of space.

Brake Castors:

Brake castors in the desklet version ensures firm grip on floor while one is seated and facilitates various room layouts when unoccupied, with its mobility

STACKABILITY

The tip-up seat in Scintilla ensures horizontal stackability thereby facilitating multiple use of space. The tip-up seat is available in all three models.

APPLICATION AREA

- Training rooms
- Meeting room
- Conference room
- Small auditorium
- Common waiting lounge
- Digital library
