

UNIQUE
CONSTRUCTION.
SEAMLESS
INTEGRATION.

IMPROVED UTILITY, ENHANCED AESTHETICS.

When it comes to lab furniture that seamlessly integrates your space with your requirements, as well as complements your other existing furniture, nothing can beat the Unique range from Godrej Interio. Constructed in a knock-down style and sporting a minimal carbon footprint, its over closing shutters make for much better aesthetics to make your lab look and feel smarter. Unique is made from Prime Quality CRCA Steel coated with epoxy paint which imparts a high scratch resistance and a special encapsulated powder is added onto the coating, which ensures that no oil or chemical marks are formed on the surface. Cabinet drawers employ high precision double extension ball slides, and the shutters are fitted with high quality, corrosion resistant, self-closing hinges. The design is also available with a skirting option.

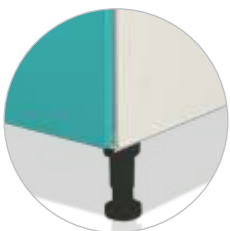

Shutters and drawers are flush with the cabinet

Highly integrated electricals are mounted on a panel-type re-agent shelf

Special under-sink storage helps optimize space

The cabinets are mounted on sturdy, height adjustable black plastic legs of diameter 40 mm, with a load bearing capacity of 450 KG/leg
