Productivity at work

Product Launch Circular – For Internal Use Only

11

BRAVO is a task chair with contemporary design.

Key distinguishing factors:

- Thicker cushion of the seat
- Wider contoured seat and back
- Poly-Propylene abuse resistant armrest

Product Launch Circular – For Internal Use Only

Adjustability/Features in detail – BRAVO

Seat height adjustment: It is essential for a good posture and allows users of all height to find optimum seating posture.

Poly Propylene armrest of the BRAVO chair makes it abuse resistant.

User friendly levers with usage guide for ease of operations

Thicker cushion for better comfort.

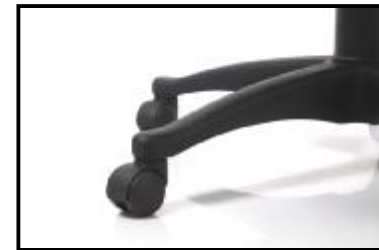

Tilting – Centre Synchronous tilting for better comfort while working. With tilt tension adjustment knob in the front, tilting can be easily adjusted by both heavy and light users alike.

Back locking position: Up-right position locking for work on the computer work-station, and synchronous tilting for meetings, general discussion, telephone conversation, and reading

Pedestal: Black designer pedestal, injection molded with 30% glass-filled Nylon, fitted with 5 nos. twin wheel castors for ensuring better strength and load bearing capacity.

Contoured back profile: The back hugging profile of the chair supports the user while at work and ensures better comfort.

Back Button profile: It adds to the aesthetics and style of the chair
