

INTERACT

Adds class to training and public seating areas

INTERACT chairs are simplistic and elegant in design form, with its light metal frame and seat tip-up mechanism.

The robust designed selection of material helps the product to withstand abuse commonly associated with public spaces.

High performance vinyl options of upholstery, light metal understructure allows for easy cleaning & maintenance of the product.

These can be offered in two options

- Interact with desklet
 - Interact with-out desklet
-
- Interact with desklet is ideal for usage in training rooms, lecture halls and class-rooms of dedicated institutions of higher education.
 - Interact with-out desklet is suitable for auditoriums, assembly halls and meeting rooms..

Smooth edges ideal for usage in academic and public spaces
Stain resistant PP edges for enhanced aesthetic life of the product

Auto tip-up mechanism, of the seat when not in use provides an environment of decorum in a training room or lecture hall.

The stylish retractable desklet of Interact chair can be used opened out while attending sessions & retracted when used as armrest.

The product is constructed to **Godrej Interio Quality Standard** and is warranted for 1 year.

4 point support on the ground for firm and stable support.
