UNLEARN
training table

As more and more businesses become part of the dynamic Knowledge Economy, training spaces are rapidly gaining a new level of excellence. To help you create a well-equipped yet highly conducive training ambience for your people, Godrej Interio presents Unlearn Training Tables.

This series of sleek attractive no-fuss tables, with metal understructure give the training area an elegant, minimalistic look, with enhanced wiring in the table's core. With built-in facilities of extension, these tables are ideal for training rooms of all sizes and dimensions.

So choose Unlearn for your training area, and prepare your team for making that paradigm shift into a whole new business culture.

Save Space with Unlearn

These tables have been designed to help you make the most of your premium space. Research shows that these tables increase the seating capacity of a given space by upto 33%. Which means you can seat more people in the same space, making them ideal for organisations with large teams.

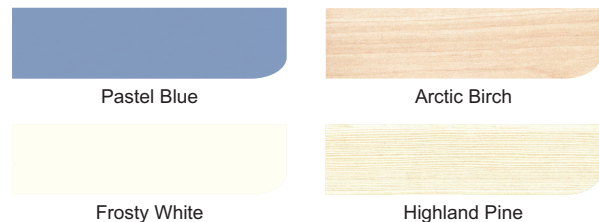

The concealed wire management facility in the core of the table's legs allows for a tidy look in the training area.

This switch* can be fixed on the mounting tray, making plugging in of laptops, PCs, and other devices much simpler.

Access flap helps easy plug connect of Laptop & CPU

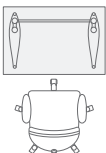

* The tabletop switch and the CPU Trolley holder are not a part of the standard offering.
