Meeting all conferencing requirements, this table inspires you to converse and communicate. The sleek profile of this table enhances its aesthetics making it apt for sophisticated office spaces. This is the ideal solution for young, dynamic professionals who aspire to go beyond the conventional. So let the ideas flow. Talk...

Modular

The Talk Modular Conference Table can be designed using 5 basic modules. This allows for a variety of configurations so that you can create a table that suits your working style. In essence, you can create a table that's just right for you.

Sleek Understructure

Add minimalism to the mix with nickel chrome plated slim legs. These sleek legs lend a lighter look to your conference room.

Access Flap

Have the controls at your fingertips with a special access flap that is mounted on the tabletop. This access flap provides handy plug points for projectors, laptops and other equipment.

*Switches are not part of the standard offering.

Modesty Options

The Talk modular range offers an option of wooden modesty and metal perforated modesty giving you a choice of aesthetics.
